

TOURIST SUBMARINE FOR SALE

24-Passenger | Fully Operational
with Complete Support Equipment

December 2025

The Opportunity

A unique opportunity to invest in, buy, or lease this Europe-based, medium-sized tourist submarine.

The Barracuda Submarine is compact, efficient, and perfectly suited for operation in a wide range of tourist destinations.

A skilled team is on hand to support a new owner in establishing a smooth and successful operation.

The Specifications

Construction

Built in Finland
Steel Pressure Hull
Acrylic windows
Fully battery-operated

Capacity

Up to 24 passengers
1 pilot, 1 co-pilot (tourguide)

Endurance

Capable of doing up to ten
45-min dives per day

Safety

DNV Classification
Redundancy for critical systems
72 hours emergency life support

Present Condition

Submersible currently in final stages of obtaining operations license from local authorities. Receives routine maintenance.

Technical and operations team ready to commence operations in Mallorca, Spain, or set up the operation elsewhere. The submarine can be trucked or shipped.

The Options

Set up at new location

You can buy the submarines and all related assets, and start operations at a new location of choice.

Operate at present site

There's also the option to acquire the business as a whole at the current site, and continue tourist operations with a proven crew.

Build Your Dream

The foundation for a new application

Think of the submarine as a blank canvas, ready to take on a new purpose - whether as a luxury deep-sea yacht, a underwater hotel suite, or an unforgettable meeting space.

Its core is robust and proven; the only limit is your imagination.
